

WESSEL & VETT CUP

Iron Man

Iron Man Copenhagen will take place on August 21st. This means limited access to Skovshoved harbour that day. It will only be possible to enter the harbour at 2 driveways.

- ✦ **Driveway south (only with boats)**
- ✦ **Driveway Søndre Havnevej (center pier) -driveway with ordinary car.**

Driving on Strandvejen can only take place in the southbound direction. Access to Strandvejen southbound can take place from Hvidørevej or Klampenborgvej.

Waiting time will occur, when the bike route to the Ironman has to be crossed. There will be traffic officials to help crossing the road, and we recommend everyone are patient and leave for the harbour earlier than normal.
